Minute	AGENDA ITEMS	Action
87/26	Apologies:- Cornwall Councillor C. Batters.	
88/26	Public Forum (Members of the public are permitted to make representations, answer questions, and give evidence in respect of any item of business included in the agenda. The designated time will be 15 minutes and no longer than 5 minutes per person (the time may be extended at the discretion of the Chair) (including the Monthly Report from Cornwall Councillor Report if received):- Three members of the public in attendance. Monthly Report from Cornwall Councillor:- Apologies from Cornwall Councillor C. Batters reported received as follows:- • He followed up on the damage to the bridge, and they attended and have taken measures to make the bridge safer for the increase in traffic expected for the Royal Cornwall Show. • He managed to get the 'road closed' removed in time not to affect the Flower Show and Saturday Evening arranged at the Church. • He attended the Saturday evening Desert Island Disc event and enjoyed my pasty and glass of wine, and had a thoroughly enjoyable time. It is great to see so many attendees and such a lovely atmosphere. • No pressure, but can you give some thought to what you might have in mind from my Community Chest? If you recall, I have put a maximum of £200.00 back for Withiel. Chairman thanked the Clerk for circulating Cornwall Councillor C. Batters' report. Member of public raised a general enquiry regarding footpaths and who is responsible. Clerk and Chair explained the ownership and Parish Councils cut them and are reimbursed, although if land is privately owned the landowners are responsible. Member of public reported he recently moved to Withiel parish and has a planning application. He is an Assistant Head Teacher, and his wife is a Constable in the Police. He updated Councillors on the planning permission required, they are hoping to use natural materials similar to those surrounding them and he wants to work with the Parish Council and to make it a long-term home and to be sustainable and are hoping to plant a small area of woodland. Member of public reported on the septic tanks in the catchment area, and he is concerned it will affect a large number of people in the village; it could cost around £10,000 per house. Chairman advised this would be discussed under planning later this evening.	

	Correspondence had been received from Cornwall Council explaining the situation in more detail and the Parish Council can find out if we can make this public knowledge Action:- Clerk.	Clerk
